

Spring Fling 2026!

May 22, 2026

A huge shout out to our amazing PAC and all the volunteers for our **Spring Fling!** Also, a big thank you to all the families who came out to support the event. What a fun way for our school community to gather and celebrate the school year.

Our last **Cultural Day** was also a highlight this week. Students and staff were fortunate to have both a Teepee presentation and Buffalo Hunt Station.

Next week we have 70 students representing Cedar Elementary at the **Zone Track Meet!** Congratulations and good luck. Go Timberwolves!

PARENTAL PARTICIPATION IN STUDENT PLACEMENT for the 2026-2027 SCHOOL YEAR

We are in the process of planning the next academic year. It is important you trust the school team to build classes, which suit the students' academic and social needs. We take a lot of care in doing classroom composition for each grade. We make up each class list in a way that maximizes the quality of teaching and learning conditions for all students. The decision for placement is based on many factors, such as: balancing academic ability, levels of independence, learning styles, social/emotional maturity, and maximizing the positive learning environment for the whole class. The classroom composition for each grade has to reflect the acceptance of all individuals within an inclusive school as we attempt to provide appropriate educational programming to all children. If you have specific educational information, that you would like us to consider about your child, please share them with me via email @ carie.wood@sd68.bc.ca by **no later than May 29, 2026**. We consider all requests, along with all other pertinent information provided by classroom teachers and support staff. As teachers may change schools and grade groupings are dependent on our enrolment numbers and balancing learning needs, **please describe optimal learning environments without referring to specific teachers. We are not able to take requests for individual teachers.**
